Introduction

WELCOME TO 7TH GRADE ART!

In this course we will explore 'what art is' through the lens of our Catholic Faith, using different mediums (both 2- and 3-dimensional) to explore techniques and methods of visual communication. Students will dabble in digital art and develop a portfolio.

STUDENTS WILL...

- Develop 8 Studio Habits of Mind
- Learn and practice perspective drawing techniques
- Study the general rules of proportions for the human face and figure
- Design and create a ceramic piece
- Discover the beautiful connection between art and our Catholic faith
